4.5. Other obligations may be established for shareholders of the Company by this Charter, the legal acts of the Russian Federation and decisions of the general meeting of shareholders adopted in accordance with its authority.

## **5. CHARTER CAPITAL**

5.1. The charter capital of the Company constitutes 1 797 682 270 (one billion seven hundred ninety seven million six hundred eighty two thousand two hundred seventy) rubles. The charter capital of the Company is divided in 179 768 227 (one hundred seventy nine million seven hundred sixty eight thousand two hundred twenty seven) ordinary registered non-documentary shares with a nominal value of 10 (ten) rubles each.

5.2. The maximum number of shares that the Company may issue in addition to those already placed (authorized shares) is 30 000 000 (thirty million) ordinary registered non-documentary shares with a nominal value of 10 (ten) rubles each. These shares, after its placement, shall have the same scope of vested rights, as the outstanding ordinary registered non-documentary shares of the Company.

5.3. The charter capital of the Company can be increased either by means of additional share issue or by increase of the nominal value of the shares. Charter capital increase by means of additional share issue can be done at the account of the Company's property. Charter capital increase by means of increase of the nominal value of the shares can be done only at the account of the Company's property. The amount by which the charter capital of the Company is increased at the account of the Company's property cannot exceed the difference between the net assets' value and the amount of the charter capital plus reserve fund. If charter capital is increased by means of additional share issue at the account of the Company's property, such shares can placed only by closed subscription between all the shareholders. Each shareholder is entitled to get shares of the same category (type) which the shareholder owns on a pro-rata basis. Charter capital increase at the account of the Company's property by means of additional share issue is not allowed if as a result of such additional issue fractional shares are created.

5.4. The charter capital of the Company may be decreased either by reduction of the nominal value of the Company's shares or of its total number, including purchase and redemption of the part of the Company's shares.

The Company shall not be entitled to decrease its charter capital if as a result of such decrease its charter capital amount will become less than the minimum amount of the charter capital prescribed by the current legal acts of the Russian Federation on the date of filing of the relevant changes in the Charter of the Company for state registration and in cases, when under the Federal law the Company must decrease its charter capital – on the date of state registration of the Company.

Within 3 business days from the date when a decision on charter capital decrease was taken the Company shall notify a governmental authority dealing with state registration of legal entities of such a decision and publish a notification on charter capital decrease twice (once a month) in the mass media used for publication of information on state registration of legal entities.

The notification on the Company's charter capital decrease shall contain:

- 1) full and short legal name of the Company, its legal address;
- 2) amount of the charter capital and amount by which the charter capital will be decreased;
- 3) procedure and terms of the charter capital decrease;

4) procedure and terms of filing applications by the creditors stating postal address and any additional addresses for delivery of such applications as well as any other means of contact with the Company (phone and fax numbers, e-mail addresses and other information).

Creditors of the Company if their rights of claim appeared before publication of the notification on charter capital decrease shall within 30 business days from the date of last publication of the notification request early termination or performance of relevant obligations by the Company and if early termination is not anymore possible - termination of obligations and compensation of concurrent damages.

## **6. SHARES AND OTHER ISSUED SECURITIES OF THE COMPANY**

6.1. The Company is entitled to issue ordinary non-documentary shares, bonds and other securities, as well as one or several types of the preferred shares, provided that the nominal value of the issued preferred shares does not exceed 25% of the charter capital of the Company.

6.2. The Company undertakes to ensure maintenance and keeping of the shareholders' record of the Company according to current legal acts of the Russian Federation from the moment of its state registration. The shareholders' record of the Company must be kept by a professional participant on the securities market performing activity on keeping record of owners of the registered securities (hereinafter referred to as – «the Registrar»). Any person registered in the shareholders' record of the Company shall notify the Registrar of any changes of his data. If such a person fails to provide information on changes of his data the Company and the Registrar shall not be liable for damages caused thereby.

6.3. All shares of the Company are registered.

6.4. All shares of the Company of the same type have the same nominal value and provide to the shareholders – their owners equal scope of rights.

6.5. Payment for the additionally issued shares placed by subscription can be made in cash, by securities or any other things or property rights or other rights having monetary valuation. Payment for other issued securities of the Company can be made only in cash.

6.6. It is not allowed to release a shareholder from his obligation to pay for the Company's shares, including payment by setoff of his claims against the Company.

6.7. The Company is entitled to issue additional shares and other securities by means of subscription and conversion. In case of the Company's charter capital increase at the expense of its property the Company may issue additional shares by means of the close subscription (distribution among shareholders). Conversion of the ordinary registered shares into preferred shares, bonds and other securities is not allowed. Conversion of the preferred shares into bonds and other securities, but ordinary registered shares is not allowed.

6.8. Additional shares may be issued by the Company only within the number of the authorized shares provided by this Charter.

6.9. Decision on the Company's charter capital increase by means of increase of the nominal value of the Company's shares shall be taken by the General Meeting of Shareholders.

6.10. Decision on the Company's charter capital increase on the account of its property by means of additional shares' issue by closed subscription (distribution among shareholders of the Company) shall be taken by the General meeting of shareholders.

6.11. Additional issue of shares (other securities of the Company convertible into shares) by closed subscription is subject to the decision of the General Meeting of Shareholders on the Company's charter capital increase by means of additional issue of shares (other securities of the Company convertible into shares) which is taken by a  $\frac{3}{4}$  (three-fourths') majority of shareholders' votes – owners of the voting shares participated in the General Meeting of Shareholders.

6.12. Additional issue of shares by open subscription to ordinary shares constituting more than 25% of the outstanding ordinary shares is subject to the decision of the General Meeting of

Shareholders which is taken by a three-Fourths' majority of shareholders' votes – owners of the voting shares participated in the general meeting of shareholders.

6.13. Additional issue of the securities convertible into shares by open subscription which can be converted into ordinary shares constituting more than 25% of the outstanding ordinary shares is subject to the decision of the General Meeting of Shareholders which is taken by a  $\frac{3}{4}$  (three – fourths') majority of shareholder's votes – owners of the voting shares participated in the general meeting of shareholders.

6.14. Additional issue of shares by open subscription to ordinary shares constituting less than 25% of the outstanding ordinary shares or to the securities convertible into ordinary shares which can be converted into the ordinary shares constituting less than 25% of the outstanding ordinary is subject to decision of the Company's Board of Directors which is taken by all members unanimously.

## **7. PURCHASE OF PLACED SHARES BY THE COMPANY**

7.1. By the decision of the general meeting of shareholders on decrease of the charter capital the Company is entitled to purchase the outstanding shares in order to reduce its total number (redemption).. Shares purchased by the Company according to the decision on the charter capital decrease are canceled at the moment of its purchase. The Company cannot take a decision on charter capital decrease by means of purchase of the part of outstanding shares in order to reduce its total number if the nominal value of the rest outstanding shares will become less than minimal amount of the charter capital required by Law.

7.2. Payment for the shares purchased shall be made in cash.

If the agenda includes items, voting on which may, pursuant to the Law result in the creation of shareholders' rights to request buy-back by the Company of their shares, the Board of Directors shall determine the share price, way and time period for buy-back procedure. Board of Directors' decision on calling of the General meeting of shareholders in the form of a joint presence shall also contain information on the date, place and time of beginning and completion of registration of the General meeting participants.

Board of Directors' decision on calling of the General meeting of shareholders in cases provided by Law shall also contain information on the form and text of the ballot paper, first and last dates of ballots' receipt by the Company, postal address, to which filled in ballots shall be delivered. The date of providing ballot papers to shareholders shall be determined at least 20 (twenty) days before the General meeting of shareholders. Way and manner for the ballot papers for voting at the General meeting of shareholders delivery is defined by the Regulation on the General meeting of shareholders of the Company.

10.11. Notification of calling of the General meeting of shareholders shall be made at least 30 (thirty) days, and notification of calling of the General meeting of shareholders containing agenda item on the reorganization in the form of merger, split-up or spin-off or on the appointment of the sole executive body or on termination of his/her authority and/or on the elections of Board of Directors' members shall be made at least 50 (fifty ) days before the date of the General meeting of shareholders, unless another period is provided by the legislation of the Russian Federation.

Within the above period of time a notification on holding of the General meeting of shareholders shall be presented to the persons entitled to participate in the General meeting of shareholders and registered in the Company's shareholders register by publication on the website of the Company in the internet at the following link: <http://invest.mvideo.ru>. Information (materials) provided to the shareholders in the course of preparations for the General meeting of shareholders are also published on the website of the Company in the internet at the following link: <http://invest.mvideo.ru>. Ballot papers for voting and information (materials) necessary to shareholders for decision making can be provided upon request at the legal address of the Company upon each shareholder's request.

10.12. Decision of the General meeting of shareholders on each separate item of the agenda shall be deemed valid, if shareholders participated in voting owned in aggregate more than a half of the voting shares of the Company that entitle their owners to vote on such an agenda item (i.e. in the presence of a quorum).

10.13. The Annual General meeting of shareholders shall be held under the Board of Directors' decision not earlier than in 2 (two) months and not later than in 6 (six) months of the end of the financial year.

10.14. Extraordinary General meeting of shareholders shall be held under the Board of Directors' decision taken on its own initiative, or on request of the Revision commission of the Company, the auditor or a shareholder (s) owning at least 10% of the voting shares of the Company on the date when such request is filed.

10.15. The procedure of filing proposals and approving the agenda of the General meeting of shareholders, procedure for calling (way of filling the request on calling, its content and etc), terms for the convention the General meeting of shareholders as well as other issues related to holding of the General meeting of shareholders shall be determined by the Regulation on the General meeting of shareholders of the Company, current legislation of the Russian Federation and the present Charter.

10.15.1 Shareholders (shareholder) owning in total at least 2% (two percent) of the voting shares of the Company are entitled to introduce items to the agenda of the annual General meeting of shareholders and propose candidatures for elections to the Board of Directors, Management Board (collegial executive body), Revision commission of the Company total number of which shall not exceed number of members of the corresponding body as well as candidature of the General Director (sole executive body) of the Company. Such proposals shall be filed to the Company within 60 (sixty) days after the end of the financial year.

10.16. The list of persons entitled to participate in the General meeting of shareholders shall be made on the basis of data contained in the shareholders' register of the Company on the date which is established by the Board of Directors of the Company. The date of compiling the list of persons entitled to participate in the General meeting of shareholders (closing date of record) cannot be established earlier then 10 (ten) days from the date of the decision on calling of the General meeting of shareholders and more than 25 (twenty five ) days before the date of the General meeting of shareholders, and if item on the elections of the Board of Directors' members of the Company is included in the proposed agenda of the Extraordinary General meeting of shareholders – more than 55 (fifty five) days before the date of the Extraordinary General meeting of shareholders. List of persons entitled to participate in the in the General meeting of shareholders excluding information on voting (information on their will) shall be presented by the Company for acknowledgement upon request of such persons included to the list and holding not less than 1% (one percent) of the voting shares. Information related to the identification of the individuals included to the list excluding their full name shall be presented only upon their consent.

10.17. The working bodies of the general meeting of shareholders are its Chairman and secretary. The Chairman of the Board of Directors, and in his absence – the General Director of the Company shall perform functions of the Chairman of the General meeting of shareholders or any other person authorized (approved) at the General meeting of shareholders.

10.18. Functions of the secretary of the General meeting of shareholders are performed by the corporate secretary of the Company or by any other person having professional skills which allows her/him to record the process of the General meeting of shareholders with the help of stenography or technical (audio and video) recording is appointed by the Chairman of the General meeting for any such meeting.

10.19. Voting at the General meeting of shareholders shall follow the principle «one voting share – one vote», unless otherwise provided by the current legal acts of the Russian Federation.

10.20. Minutes of the General meeting of shareholders shall be prepared not later than 3 (three) days after closing the General meeting of shareholders or the last date set for the ballots' receipt in case the General meeting of shareholders is convened by absentee voting. The Minutes shall be prepared in 2 (two) samples, both signed by the Chairman and the secretary of the General meeting of shareholders.

The Minutes of the General meeting of shareholders shall mandatory contain: the place and time of the General meeting of shareholders, the total number of votes of the shareholders – owners of the voting shares of the Company, the Chairman and the secretary of the meeting and its agenda. The Minutes of the General meeting of shareholders shall contain the main points of speeches, items put for voting and voting results, the decisions taken by the meeting.

10.21. If all the voting shares of the Company are owned by one shareholder, decisions on items referred to the authority of the General meeting of shareholders shall be taken solely by such shareholder and executed in a written form. Therefore provisions of this Charter and of the By-laws on the General meeting of shareholders determining the procedure and time period for preparation, calling and convention of the General meeting of shareholders shall not apply, except for the provisions related to the time of convention the annual General meeting of shareholders.

Decisions of the General meeting of shareholders taken on items which were not included in the agenda of the General meeting (excepting the cases when all shareholders participated in the General meeting) or taken with a breach of the General meeting authority, without necessary quorum of the General meeting or without needed majority of the shareholders' votes are invalid even if they are challenged at court.

- (42) decision on other matters related to the Company's activity and provided by the Law and this Charter.

Matters referred to the authority of the Board of Directors of the Company cannot be referred to the executive body of the Company for decision.

11.2. Members of the Company's Board of Directors are elected by the annual General meeting of shareholders subject to the procedure provided by this Charter and the Regulation on the Company' Board of Directors.

Election of members of the Company's Board of Directors shall be done by cumulative voting. In case of a cumulative voting the number of votes owned by each shareholder shall be multiplied by the number of candidates nominated for the elections to the Board of Directors, and therefore a shareholder is entitled to give all cumulative votes to one candidate or to distribute all cumulative votes between two or more candidates.

Candidates who received the majority of the cumulative votes are deemed to be elected to the Board of Directors. The term of authority of the Board members starts to run from the moment they are elected by the annual General meeting and continue till the elections by next annual General meeting.

Persons elected to the Board of Directors of the Company may be re-elected an unlimited number of times. By the decision of the General meeting of shareholders authority of all members of the Board can be early terminated. In case of early termination of the Board members' authority the authority of a newly elected Board of Directors shall be in effect until a new Board of Directors is elected (re-elected) by the next annual General meeting of shareholders.

11.3. If the number of the Board members of the Company becomes less than a half of the number provided by a relevant decision of the General meeting of shareholders and the Law, the Board of Directors shall call for an Extraordinary General meeting of shareholders on the elections of a new Board of Directors. The remaining members of the Board are entitled to take decision only on convention of such extraordinary General meeting of shareholders.

11.4. A person performing functions of the sole executive body (the General Director) cannot concurrently be the Chairman of the Company's Board of Directors. Members of the collegial executive body (the Management Board) cannot constitute more than 1/4 of the Board of Directors of the Company.

11.5. At least 7 (seven ) persons shall be elected to the Company's Board of Directors. The number of the Board members shall be determined by the decision of the General meeting of shareholders. The Board of Directors of the Company shall consist of the independent Directors according to the provisions of the Regulation on the Board of Directors of the Company and the Law.

11.6. The Board of Directors' activity shall be organized by its Chairman elected by the Board members out of them by the majority votes of the total number of the Board members. The Board of Directors is entitled to re-elect its Chairman at any time by the majority votes of the total number of the elected Board members. The General Director of the Company cannot be the Chairman of the Board of Directors.

The Chairman of the Board of Directors convenes the Board meetings and organizes meetings by absentee voting, and arranges keeping of the Board meetings' Minutes.

11.7. In the absence of the Board Chairman his functions shall be performed by one of Board the members according to the Board decision taken by the majority votes of its members participated in the meeting.

11.8. Meetings of the Board of Directors shall be convened by the Board Chairman on his own initiative, upon request of any Board member, the Revision commission, the auditor or the General Director of the Company.

A quorum of the Board meeting is achieved if half of the elected Board members of the Board of Directors are present. For the purposes of defining the quorum and voting results a written opinion on items of the agenda of the Board member not participated in the Board meeting shall be taken into account.

11.9. In making decisions on items in the course of the Board meeting each Board member has 1 (one) vote.

Decisions of the Board of Directors shall be taken by the majority of the votes of its members elected to the Board of directors, unless otherwise provided by the current legal acts of the Russian Federation.

11.10. Minutes shall be kept at the Board meetings. Minutes of the Board meeting shall be prepared not later than 3 (three) days after such a meeting. Board Minutes shall contain information on the place and time of the meeting, persons participating in the meeting, the agenda of the meeting, items put for voting and voting results, decisions taken and any, other information as provided by the Regulation on the Board of Directors of the Company and the current legal acts of the Russian Federation.

Board Minutes shall be signed by the person presiding at the Board meeting and the corporate secretary. Extracts from the Minutes of the Board of director's meetings shall be certified by the Corporate secretary's signature and by the seal of the Company. In case of a tie vote the Chairman of the Board of Directors has a right to vote. Vice-Chairman of the Board of Directors or another member of the Board of Directors acting as the Chairman of the Board during his absence has no right of vote at Board of Directors' meetings.

11.11. Company Board Members may receive remuneration and/or compensation of the expenses related to their performance of the Board of Directors' functions under the decision of the General meeting of shareholders Amounts of such remunerations and compensations shall be also determined by the General meeting of shareholders.

## **12. CORPORATE SECRETARY**

12.1. The Board of Directors of the Company shall appoint a corporate secretary for the purposes of proper adherence and compliance with the established procedure of preparation and convention of the General meeting of shareholders and activity of the Company's Board of Directors. The corporate secretary of the Company performs functions of the Board of Directors secretary and secretary of the General meeting of shareholders of the Company, unless otherwise provided by internal documents of the Company or decisions of the Board of Directors and resolution of the General meeting of shareholders of the Company.

12.2. The General Director of the Company according to the Board decision or any person authorized by the Board of Directors of the Company shall sign a contract with the corporate secretary.

12.3. Terms and condition of contract with the corporate secretary well as amount of the remuneration payable shall be defined by the Board of Directors of the Company or any person authorized by the Board of Directors of the Company.

12.4. The corporate secretary of the Company ensures effective cooperation with the Company's shareholders, coordinates Company's actions in terms of protection of the shareholders' rights and interests, arranges effective work of the Board of directors, ensures preparation and convention of the General meeting of shareholders and meetings of the Board of Directors within the scope of his/her authority and in accordance with the requirements of the legislation of the Russian Federation, this Charter, the Regulation on the corporate secretary and/or other internal documents of the Company.

12.5. Bodies and officers of the Company shall assist the corporate secretary of the Company in performing his/her functions. Corporate secretary shall have enough independency from the executive bodies of the Company and its subsidiaries and have all necessary authorities and resources to fulfill his/her tasks.

## **13. GENERAL DIRECTOR**

13.1. The General Director of the Company – its sole executive body manages day-to-day activity of the Company together with the Management Board (if created).

13.2. The authority of the General Director shall cover all issues related to management of the day-to-day Company's activity, except for matters referred to the authority of the General meeting of shareholders, the Board of Directors and the Management Board (if created). The General Director organizes implementation and performance of the decisions taken by the General meeting of shareholders and the Board of Directors of the Company and reports to them. The General Director acts on behalf of the Company without any power of attorney and is entitled to:

- (1) perform operational management of the Company's activity;
- (2) have the first signature right of the financial documents;
- (3) dispose the Company's property to ensure its current activity within the scope established by this Charter, unless, in cases pursuant to this Charter, the General Director needs the approval of the General meeting of shareholders and/or the Board of Directors of the Company for execution of such transactions;
- (4) represent interests of the Company both in the Russian Federation and abroad;
- (5) approve staff-schedules, execute labor agreements with employees of the Company, apply incentives measures and impose disciplinary sanctions;
- (6) execute transactions on behalf of the Company, except for the cases provided by the Law and this Charter;
- (7) issue powers of attorney on behalf of the Company;

21.6. Upon shareholder's request the Company shall provide him for consideration copies of documents as provided by the legal acts of the Russian Federation. The amount of such consideration shall be determined by the Company and cannot exceed the amount of costs on making the copies and postal delivery of such documents.

In case of reorganization or liquidation of the Company all documents (managerial, financial, business, related to personnel) shall be transferred in accordance with the established rules to the successor company. In the absence of successors, documents which shall be kept permanently and which have scientific and historical value shall be transferred for state storage to «Mosgorarchiv» archives association, and documents related to the personnel (orders, personal files, time cards, personal accounts) shall be transferred for storage to the archive of the administrative district, on the territory of which the Company is located. The Company covers expenses on transfer and sorting out of the documents in accordance with the requirements set by the archive bodies.

## **22. SUBSIDIARIES AND DEPENDENT COMPANIES**

22.1. The Company may establish subsidiaries and dependent companies with the rights of the legal entities on the territory of the Russian Federation and abroad according to the requirements of the legal acts of the Russian Federation and relevant legal acts of the foreign states, unless otherwise provided by the international treaty of the Russian Federation.

22.2. A subsidiary is the company, in which a parent company due to the predominant participation in its charter capital or pursuant to the agreement made between them or otherwise is entitled to determine the decisions which are taken by such company.

22.3. A subsidiary is not liable for the debts of the parent company. The parent company which is entitled to give binding instructions to its subsidiary and if it provided by the agreement with such subsidiary or by the subsidiaries' charter, is solidary liable with the subsidiary for transactions made by the latter in the course of fulfillment of such instructions. The parent company is entitled to give binding instructions to a subsidiary only if such right is provided by the agreement with such a subsidiary or by the charter of the subsidiary company.

In case of insolvency of a subsidiary caused due to the fault of the parent company, the latter takes joint liability for debts of the subsidiary. Insolvency of a subsidiary is deemed to be caused due to the fault of the parent only if the parent company used the opportunity and (or) right available to it to determine decisions of the subsidiary for the actions, being aware beforehand that taking such an action would result in the subsidiary's insolvency.

Shareholders of a subsidiary are entitled to request compensation of damages by the parent company caused due to the fault by the parent company to the subsidiary. Damages are deemed to be caused due to the fault of the parent only if the parent company used the opportunity and (or) right available to it to determine decisions of the subsidiary for the actions, and being aware beforehand that taking such an action would result in damages to the subsidiary.

22.4. A company is recognized as dependent if another (dominant) Company owns over 20% (twenty) of the voting shares of the first company.

## **23. BRANCHES AND REPRESENTATIVE OFFICES OF THE COMPANY**

23.1. The Company can establish branches and open representative offices on the territory of the Russian Federation and abroad according to the requirements provided by the legal acts of the Russian Federation and relevant legal acts of the foreign states, unless otherwise provided by the international treaty of the Russian Federation.

23.2. Branches and representative offices are not legal entities and shall act on the basis of the Regulations adopted by the Company. Branches and representative offices of the Company shall receive from the Company that created them property which is booked on their separate balance sheets and on the balance sheet of the Company.

Heads of the branches and representative offices are appointed by the Company and act on under the power of attorney which is granted by the Company.

23.3. Branches and representative offices operate on behalf of the Company that established them. The Company is liable for activity of its branches and representative offices.

23.1. Employment relationships, including issues on hiring and firing, setting of the work and rest schedules, salaries' payment terms and conditions, guarantees and compensations in the Company are governed by the current labor law of the Russian Federation, individual employment agreements (contracts) and internal documents (local acts) of the Company.

23.2. Terms and conditions of the individual employment agreements cannot be worse than employment conditions provided by the legal acts of the Russian Federation.

## **25. REORGANIZATION AND LIQUIDATION OF THE COMPANY**

25.1. Reorganization of the Company (through merger, acquisition, demerger, split off or transformation) is subject to the decision of the General meeting of shareholders according to the procedure provided by the legal acts of the Russian Federation. State registration of the newly created companies resulted in reorganization and procedure for making an entry in the unified

record of the legal entities on termination of the reorganized companies are established by the legal acts of the Russian Federation.

When entry on start of reorganization process is made in the unified record of the legal entities the Company being in the process of reorganization shall twice at the interval once per month publish in the mass media used for publication of information on state registration of legal entities a notification on its reorganization subject to the requirements set forth by the Law. In case of the Company's reorganization, creditors of the Company are entitled to receive guarantees provided by the Civil Code of the Russian Federation and other applicable legal acts.

25.2. Liquidation of the Company is subject to the decision of the General meeting of shareholders or to the court decision in cases provided by the legal acts of the Russian Federation.

25.3. Liquidation of the Company is made by the liquidation commission elected by the General meeting of shareholders or appointed by court in cooperation with the authority performing function of the state registration of the legal entities.

25.4. From the moment of appointment of the liquidation it acquires all powers and authority on the management the Company. The liquidation commission represents the Company in court. The liquidation commission shall publish information on its liquidation and on the procedure and terms for making claims by the creditors in a mess media used for publishing information on state registration of the legal entities.

25.5. The procedure and terms of the liquidation of the Company are determined by the decision of the General meeting of shareholders or by a court decision. The time period within which the creditors may file claims after the notification of liquidation is prescribed by the legal acts of the Russian Federation.

25.6. The liquidation commission evaluates the Company's property, identifies its debtors and creditors and performs settlements with them, takes measures on payment the Company's debts before the third parties and notifies the creditors in a written form of liquidation of the Company. If at the time when a decision on liquidation the Company is made the Company has no liabilities to creditors, the Company's property shall be distributed among its shareholders according to the requirements of the legal acts of the Russian Federation.

After expiration of period set for creditors for making their claims the liquidation commission prepares an interim liquidation balance sheet containing information on the composition of Company's property under liquidation, a list of claims filed by the creditors and results on the examination of such claims. An interim liquidation balance sheet shall be approved by the General meeting of shareholders or the body that took a decision on liquidation of the Company in cooperation with the authority performing functions of the state registration of the legal entities. If available funds are not sufficient to discharge the creditors' claims, the liquidation commission shall arrange public sale (auction) of the Company's property according to the procedure established for execution of judgment.

After settlements with the creditors the liquidation commission prepares a liquidation balance sheet for its approval by the General meeting of shareholders or the body that took a decision on liquidation of the Company in cooperation with the authority performing functions of the state registration of the legal entities.

25.7. The balance of the Company's property remained after settlements with the budget, payment of salaries and remunerations to the Company's employees, discharging claims with the creditors and holders of the Company's bonds shall be distributed among the shareholders proportionally to the number of shares owned by them. Property contributed to the Company by its shareholders as payment for their shares shall be returned in kind without remuneration.

25.8. The liquidation commission is liable for damages caused to the Company, its shareholders and third parties according to the Civil Code of the Russian Federation.

25.9. Liquidation of the Company is deemed to be completed and the Company liquidated from the moment when an entry on the termination of the Company's activity is made in the unified record of the legal entities.
